1. ITF World & ITF Flanders

ITF WORLD 2024

May 21-22, 2024 (1.5 day conference)

Flanders Meeting and Convention Center Antwerp, Belgium

WHAT IS IT?

Imec Technology Forum (ITF) World is an initiative of imec, one of the world's leading R&D and innovation hubs in nanoelectronics and digital technology. Committed to drive disruptive innovation, imec leverages the expertise of over 5,500 top scientists and engineers, and a partner network including the world's leading companies in semiconductors, ICT, healthcare, AI and energy.

ITF World is an annual technology conference held in Belgium for an international audience. It offers you the perspective you need to get a clear view of the **tech future**, thanks to **inspirational talks**, **impressive demos** and **plenty of networking opportunities**. ITF World features a **program clearly centered around semiconductor technologies & system scaling**, with insights that highlight imec's role & activities to progress Chips Act initiatives worldwide.

ITF World is the flagship of a series of ITF conferences. We have been organizing annual ITF conferences for many years at several locations around the globe to which we invite leading executives representing the semiconductor and deep-tech innovation ecosystem.

This year's edition will be a special, festive one as we will celebrate **imec's 40th anniversary** together with our ecosystem of global players.

Dedicated track within ITF World

DEEP TECH DIVE

Deep Tech Dive is an opportunity for investors, established companies, and entrepreneurs to **take the pulse of what's happening in the deep-tech venturing landscape**. Members from VCs, corporate investors, and promising young tech companies will discuss the vital role of start-ups and scale-ups in the fourth wave of disruptive innovation – on the crossroads of science and engineering. This deeptech venturing session is open for corporate investors, VC's, institutional investors, deeptech startups and scale-ups.

WHO ATTENDS?

ITF World welcomes 2,000 attendees from around the globe – ranging from industry experts and business leaders to policy makers, futurists, technology gurus, entrepreneurs from start-ups to scale-ups, analysts, and investors.

Audience: In 2023 we welcomed up to 2,100 attendees from 40 countries.

ITF FLANDERS 2024

May 22, 2024 (0.5 day conference)

Flanders Meeting and Convention Center Antwerp, Belgium

WHAT IS IT?

ITF Flanders is an initiative of imec, one of the world's leading R&D and innovation hubs in nanoelectronics and digital technology. Committed to drive disruptive innovation, imec leverages the expertise of over 5,500 top scientists and engineers, and a partner network including the world's leading companies in semiconductors, ICT, healthcare, AI and energy.

ITF Flanders is a half-day technology conference held in Belgium specifically for Belgian/Dutch companies that, at first glance, are not immediately related to the semiconductor industry but that can benefit from the innovations originating there. These companies will discover how technology as an enabler can contribute to real impact for their business & society.

This year's focus will be on health, mobility, energy & environment, and robotics & AI. The year's edition will also be a special, festive one as we will celebrate **imec's 40th anniversary together with our ecosystem of local and global industry players.**

WHO ATTENDS?

Everyone who wants to learn how technology can drive forward and accelerate their business or innovation project. Examples include: SME's, business leaders, policy makers, communities, entrepreneurs, investors, R&D managers, starters, researchers, ...

WHY SPONSOR?

ITF World and ITF Flanders have a **clear focus on technology & society**, a **speaker line-up of renowned experts** sharing their views from a research, innovation and business perspective. Both events offer an **excellent networking occasion** to **discuss the future, future systems, roadmaps** and **collaboration opportunities**.

THE NO. 1 TECHNOLOGY EVENT FOR SPONSORS TO

- 01 CONNECT**
with the leading innovators of tomorrow's economy and society
- 02 STAND OUT**
as a trusted partner for business and policy executives, as well as for research institutes
- 03 BENEFIT**
from guaranteed brand exposure leaving a significant impression in people's minds
- 04 GET NOTICED**

2. Imec Technology Forums outside Belgium

ITF Photonics USA

March 24, 2024

San Diego, USA

What is it? Insights on rapidly evolving R&D in integrated silicon photonics and its huge application potential.

Who attends? Medical device manufacturers, imaging device manufacturers, life science companies, semiconductor, photonics and system companies, tech startups and venture capitalists with an innovation focus.

Target audience: 200 attendees

ITF Semicon USA

July 8, 2024

San Francisco, USA

What is it? Focus on semiconductor scaling presenting the latest advances & solutions to compute, store and connect massive amounts of data.

Who attends? Innovation managers, academia and technology gurus representing the global semiconductor eco-system and ICT industry.

Target audience: 400 attendees

ITF JAPAN

November 5, 2024

Tokyo, Japan

What is it? Presenting the tech future driven by tech innovations and the latest advances in semiconductor R&D. Insights on the rapidly evolving R&D and innovations in automotive and healthcare, and on semiconductor and tiny AI as key enablers to advance these domains 'beyond smart'.

Who attends? Industry experts, academia, business leaders, researchers, futurists, and technology gurus active in Japan and the wider region.

Target audience: 470 attendees

By signing this application form you acknowledge to have read, understood and accept the terms and conditions of sponsorship attached hereto. Please return a duly signed and completed application form to dominique.debrabanter@imec.be

Date: _____ Company stamp: _____

Signature: _____

TERMS AND CONDITIONS:

1. These Terms constitute the sponsorship agreement ("Agreement") between imec and the Company ("Sponsor") that completes the application form (marked ad "Sponsorship Events 2024 application") and sends this form to IMEC. In exchange for the sponsorship fee, Sponsor is entitled to the benefits listed in this application form under the respective sponsorship packages.
2. Each sponsorship shall be assigned and approved by IMEC on a 'first come first serve' basis. IMEC reserves the right to reject a potential Sponsor for any reason.
3. The Agreement shall start the day after IMEC receives the duly signed and completed application form and it shall be terminated at the end of the sponsored event. If the Sponsor selects more than one event the Agreement will expire at the end of the last selected sponsored event.
4. Sponsor agrees to allow IMEC to use the Sponsor's name, trademark, logo, tag line or other materials for the purpose of the by sponsor selected event sponsor package or promotion of the event. The Sponsor represents and warrants that it owns or has the necessary rights to grant the right to IMEC to use these materials and that they not infringe upon the intellectual property rights of any third party. The Sponsor agrees to indemnify and hold IMEC and its officers, directors, agents and employees harmless from and against any and all claims, damages, liabilities, costs, and expenses arising from or in connection with any breach of this representation and warranty.
5. Sponsor shall be entitled to the following tag line on their marketing materials during the term of the Agreement: "Official Sponsor of "name of the event" <followed by year and place of the sponsored event>".
6. IMEC shall send an invoice with the sponsorship fee to Sponsor within a period of thirty (30) days as from the date IMEC receives the duly signed and completed application form. Sponsorship fees shall be paid in full within thirty (30) days after the receipt of the invoice. SPONSORSHIP FEES ARE NON-REFUNDABLE, unless stated otherwise in this Agreement. All indicated amounts are excl.VAT.
7. Company boilerplate and high-resolution logo must be provided by the Sponsor together with the signed application form. Other sponsor materials shall be received at the event location at least two (2) days before the start of the event. The Sponsor shall bear the costs and risks of the shipment. The Sponsor acknowledges that its failure to provide logo and sponsor material in the required formats in due time may result in IMEC's inability to comply with its obligations under this Agreement. The Sponsor therefore agrees to provide the Sponsor materials in a timely manner and to cooperate with IMEC in the event that any issue arises with respect to the materials.
8. All sponsor materials must be removed from the event location by the end of the event. The Sponsor shall bear the costs and risks of the shipment.
9. IMEC reserves the right to cancel the event by serving notice in writing to the Sponsor. In the event of such cancellation, Force Majeure events excluded, IMEC shall refund the received sponsorship fees.
10. IMEC shall not be liable for any damages or losses suffered by the Sponsor as a result of any breach of this Agreement by IMEC, except to the extent caused by the willful misconduct or gross negligence of IMEC. In no event shall the total liability of IMEC to the Sponsor under this Agreement exceed the amount of the sponsorship fee paid by the Sponsor. In no event shall either Party be liable to the other for any consequential, indirect or incidental damages arising out of the performance of the present Agreement.
11. These Terms and Conditions shall be governed by and construed in accordance with Belgian law and the sponsor irrevocably agrees that the courts of Leuven, Belgium shall have exclusive jurisdiction to settle and dispute which arise out of, under, or in connection with, these Terms and Conditions.
